Experience

Northwell Health LIJ Valley Stream Hospital

Senior Finance & Operations Management Associate

Jul 2023 – Present

- Directly supported the Executive Director, CFO, and CMO by providing data analytics, financial reports, and clinical dashboards to carry out hospital's mission.
- Assisted in the 2024 budget process through utilization, revenue, and expense mitigation projects, as well as synthesis of ad-hoc analyses.
- Onboarded and mentored eight summer interns and two first-year management associates.
- Launched and became the chair of the first LIJVS Gun Violence Prevention Committee to carry out local strategy for the community and the hospital.

Finance & Operations Management Associate

Jul 2022 – Jul 2023

- Composed monthly finance packages for central region CFO, which consisted of key financial metrics and written narratives that explained hospital's current financial state.
- Produced recurring and ad-hoc reports for hospital leadership by extracting raw data from Tableau, SIS Analytics, TSI Analytics, and RedCap.
- Developed operational strategy to launch local gun violence prevention initiatives.

Healthcare Management Program Summer Associate

Jun 2021 – Aug 2021

- Selected from a pool of approx. 1,000 applicants to be one of 30 HMP Summer Associates.
- Created process maps and performed a gap analysis for LIJVS's developing emergency department split flow model.
- Introduced Gun Violence Prevention initiative to Diversity, Equity, and Inclusion Committee.
